Hi Alba,

I'll be there. I'm cc'ing Adam Miller from David Ryu's office so that council is aware of this ongoing situation.

Dear Neighbors,
Attached below is the letter we received regarding the REQUIRED COMPLAINANT APPEARANCE at the Animal Care Center pertaining to the Dog Barking Issue. I'm greatly disappointed that the date is two months away on July 20th, especially since my letter requesting our meeting stipulated that this has been an issue since late 2016 and it has caused great stress to those of us bothered by the barking.

It's a long way off to plan for certain but Jim and I intend to be at the meeting. Please let me know if you also plan to be there?

Two nights ago the barking again woke us in the middle of the night. I have heard from a few of you regarding the barking these past few weeks but several of you on this mailing list have been completely silent. Learning that we're two months from a hearing is depressing. I am barely keeping my energy up for this effort and the documentation from those of us being bothered is necessary for the hearing. Please document when it's warranted. The dog owners received the same Appearance Notice as ours. If they discontinue leaving the dog out overnight as a result, this will be excellent and we should discuss canceling the hearing. However this is their second notice from City, as well as personal requests from some of us, and so far they haven't shown any effort to comply.

PLEASE, IF YOU WANT TO BE REMOVED FROM THIS EMAIL LIST LET ME KNOW.

Thank you.

Best,
Alba
